HEALTH FOR ALL

“Gulf Nursing Day”

Wednesday 13th March 2019

Major theme

“Nurses: A Voice to Lead – Health for All”.

Why Gulf Nursing Day?

- The Saudi Ministry of Health (MOH) has proclaimed March 13th, every year, as the Gulf Nursing Day, also known as GCC (Gulf Cooperation Council) nurses’ day.

General aim of the gulf nursing day:

- The aim of the event is for shedding light on the achievements accomplished of nurses and efforts exerted in the nursing field and upgrading the profession of nursing in the different health establishments of the country. It is worth to mention that the event aims at honoring the nursing profession and promoting nurses on exerting more efforts to provide a high-quality nursing care.

Related Objectives of the day:

1. Gathering nursing graduates for reunions during the celebration of Gulf Nursing Day.
2. Enhancing communication between CON-J community and its graduates and employers.
3. Promoting collaboration with employer organizations for providing career opportunities for nurses.
4. Updating graduates with the development in nursing research and publication
