

How to access Medical Library

1. Go to <http://www.ac-knowledge.net/ngha>
2. Log - in (use your **NGHA** or **KSAUHS Account**)

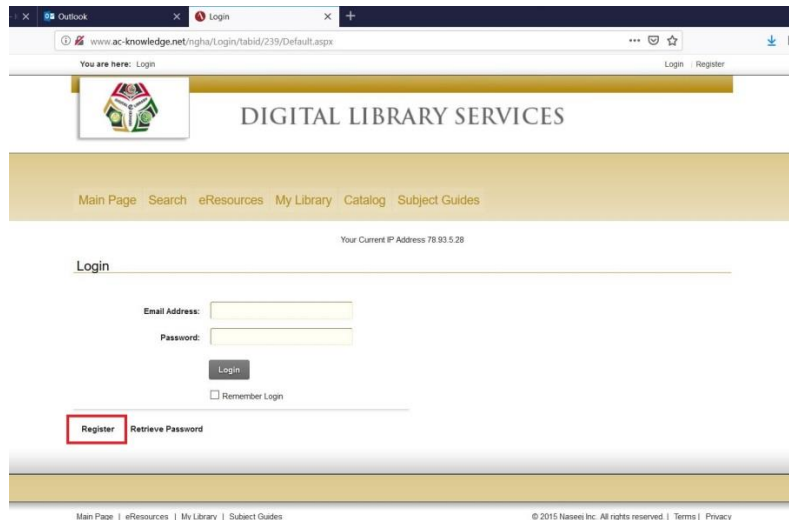

The screenshot shows the login page of the Digital Library Services. The page has a header with the logo and the text "DIGITAL LIBRARY SERVICES". Below the header is a navigation menu with links: "Main Page", "Search", "eResources", "My Library", "Catalog", and "Subject Guides". The main content area is titled "Login" and contains a form with the following fields and buttons:

- Email Address:
- Password:
- Login button
- Remember Login
- Register button
- Retrieve Password button

The "Login" form is highlighted with a red border. The page also displays "Your Current IP Address 78.93.5.28" and a footer with "Main Page | eResources | My Library | Subject Guides" and "© 2015 Naseej Inc. All rights reserved | Terms | Privacy".

3. But then, if you still don't have account please click **register**

The screenshot shows the same login page as above, but with the "Register" button highlighted with a red border. The "Login" form is still visible, but the focus is on the "Register" button. The page layout and navigation menu are identical to the previous screenshot.

- Then register with your **NGHA or KSAU-HS account**, supply necessary information then click **register**.

- After successfully registering to Digital Library Services, you have to verify your account by clicking on the link sent to your email.

- Then after account verification you can now log back in and use the Digital Library Services for your ebook research.
