Dean's Message

Dean's Message

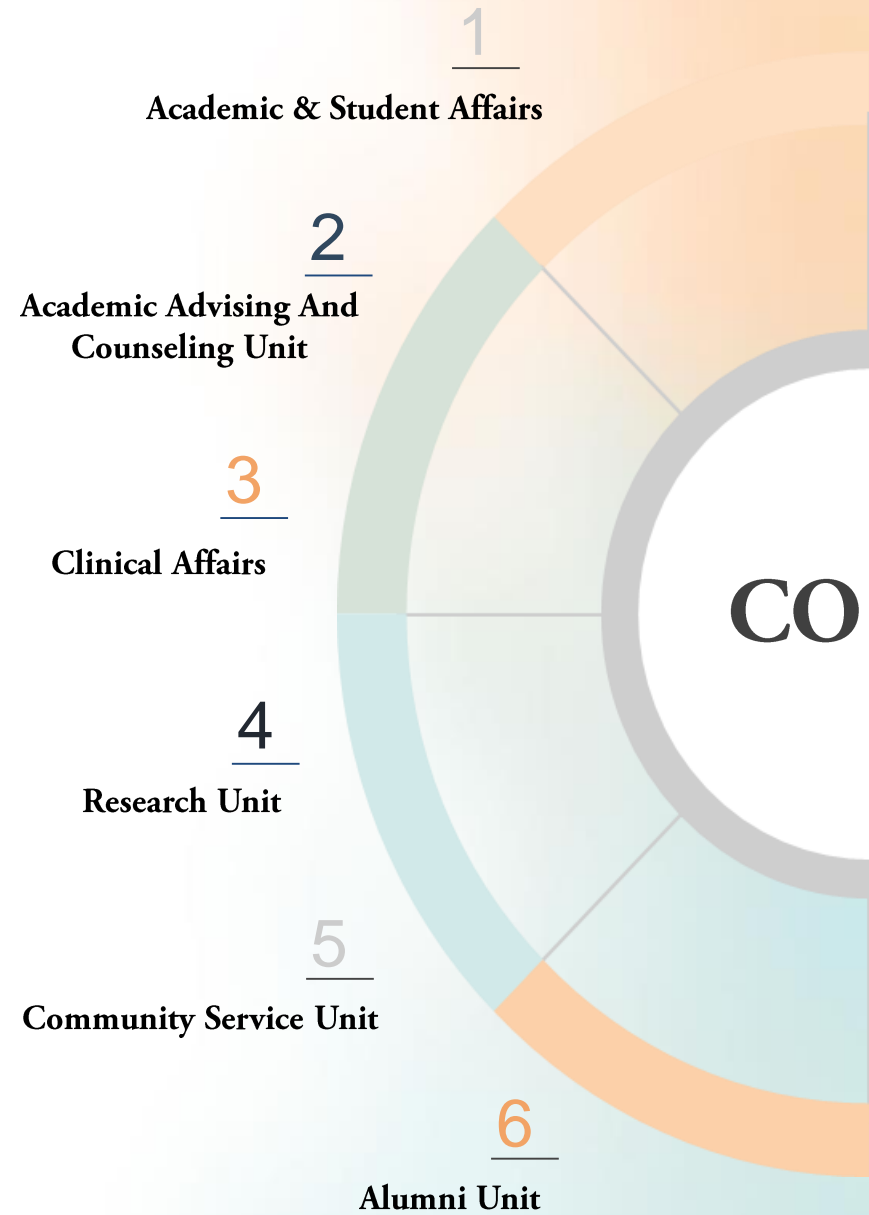

I am proud to be part of King Saud Bin Abdulaziz University for Health Sciences, College of Nursing. Our college is deeply committed to providing an inspiring environment where diversity, inclusion, discovery, and life-long learning are the core values of our day-to-day mission. Reflecting back on the past year, the College of Nursing had many impactful accomplishments and collaborations to create distinguished educational and career pathways for students and alumni. In this annual report we highlight how our innovative faculty, staff, students, and alumni have worked hard to achieve excellence in nursing education and maintain the college well positioned within the health care sector. We are continuing to transform education, research, practice, and community service as we lead in higher education industry across the country.
