

University Student Research Board Policy No. USRB 006 Allowing Students to Attend Conferences with Approved Absence From Academic Activities

Purpose:

This policy outlines the terms and conditions for giving students approval to attend conferences and be absent from curriculum activities.

Approval: By the Dean.

Applicable for: All KSAU-HS Colleges

- 1- Students must be presenting oral presentation at the conference.
- 2- The conference area matches that of the student's study area.
- 3- Students should apply to the dean at least 4 weeks in advance of the conference dates.
- 4- The conference must be approved by the Dean.
- 5- Students will be allowed to miss classes for one day, if the conference is in their city.
- 6- Students will be allowed to miss classes for two days, if the conference is in another Saudi city.
- 7- Students will be allowed to miss classes for three days, if the conference is in another country in the region.
- 8- Students will be allowed to miss classes for five days, if the conference is in Europe/North America/Australasia.
- 9- The Dean's decision is final.
